BAVONA

Your interplay of light. Your moment.

BAVONA

The new slat roof in a sleek design offers individual sun and weather protection.

The high-quality hard top with slats that can be freely tilted up to 160° makes it possible to enjoy the interplay of sun and shade from the early morning hours until sunset. BAVONA makes outdoor living a pleasure.

Durable and weatherproof construction

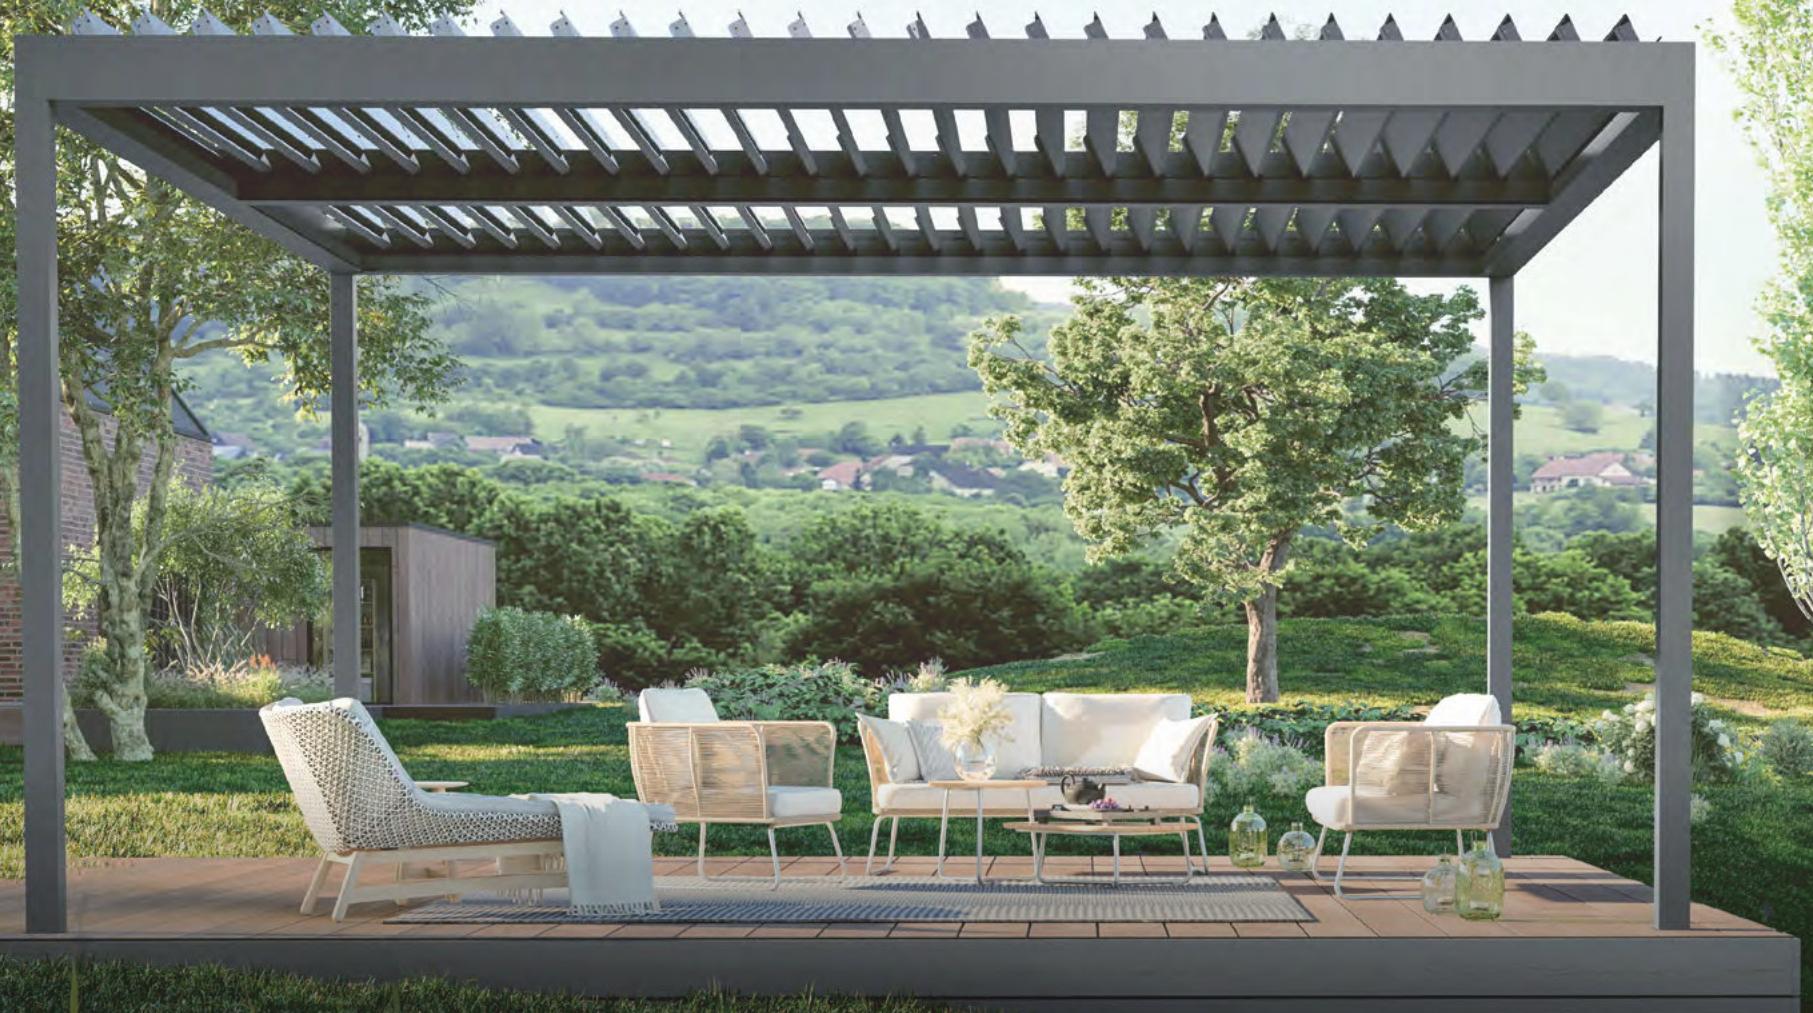

All-day use thanks to highly rotatable slats

Timeless, reduced design language
suitable for any architecture

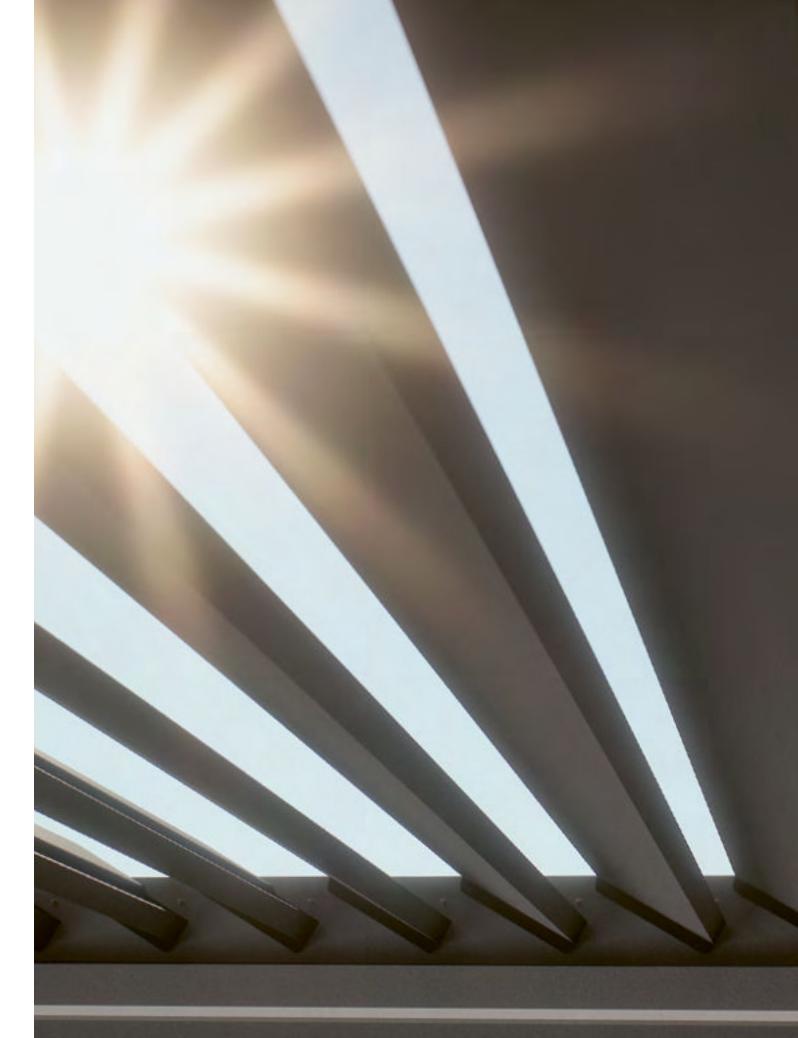

Vertical shading for enhanced glare
protection and privacy

Protection from wind and weather thanks
to side glazing

Rainwater is channeled away via the
supports

BAVONA An oasis of wellbeing
with an adjustable louvred roof.

Enjoy outdoor living in the sun, wind, or rain. If desired, you can easily control the slats via the Smart Home app. In the slightly open position, BAVONA allows pleasant natural air circulation.

Whether fixed to a wall or used as a gazebo in the garden, the lighting casts a pleasant ambiance in the evening. With practical extras such as side shading or glazing, BAVONA is the perfect addition to any outdoor space.
